United States Department of State

Washington, D.C. 20520

SEP 16 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export to Germany of technical data, defense services and hardware for the manufacture of components for the Patriot Advanced Capability (PAC-3) Missile for use in the U.S. and Foreign Military Sales (FMS) projects.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Paul V. Kelly". The signature is fluid and cursive, with a long, sweeping underline.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 061-04

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
